GOT YOUR GOLF SPONSORS AND PLAYERS YET?

You know we only have two fundraisers each year... The Golf Classic is very important for us to continue making the positive impacts that we do for our youth. **NOW IS THE TIME TO MAKE A DIFFERENCE FOR THIS EVENT!** We must get sponsors to make this effort worthwhile. It is a great opportunity for our area businesses to get their name and logo out there in front of 100 or more players as well as in our local print and social media outlets. By the end of August, we should have a majority of our sponsorships and teams set. ***Attached to the email that brought you this Oracle are the 2022 info/registration flyer, a list of last year's sponsors, a historic list of the past several years, and also a current list of Greater Plant City Chamber of Commerce members.*** Please read through these documents— share the flyer with your email address book and visit those businesses you frequent, asking them to be a part of providing activities and services for our area youth. Many people need that personal touch rather than “another email solicitation”, so event coordinators Jeb and Walt are seeking volunteers to spend a few hours going to area businesses and gain their support. Your help is needed... let's do this!
